

SJ Software GmbH Haarhofstr. 52 D-52080 Aachen
info@sj-software.de oder hotline@sj-software.de

If you want to use SJ MEPLA on a computer that is not permanently connected to a network, you will need to install and license each computer.

Installation

Install the program on the desired computer. We recommend that you do not make any changes during the installation so that our software is installed in the correct program directory.

Licensing

Start SJ MEPLA:

SJ Software GmbH Haarhofstr. 52 D-52080 Aachen
info@sj-software.de oder hotline@sj-software.de

Click on the button "Online Activation":
